Presentations		
<p><i>Speakers will address the following questions, in addition to any other comments that they choose to contribute:</i></p> <ul style="list-style-type: none"> ▪ <i>What information should the committee review to assess the epidemiological literature related to the onshore development of oil and natural gas from unconventional resources?</i> ▪ <i>What criteria should the committee use to evaluate study quality?</i> ▪ <i>What do you see as key contributions that the Committee can make to the science and the public dialogue around the development of oil and natural gas from shale and other unconventional resources?</i> ▪ <i>Looking beyond the initial Human Health Study Critique task, what do you see as key contributions from the Committee's review of literature and research planning in Year 1 and beyond?</i> 		
9:30 - 9:40 AM	Nicole Deziel, Assistant Professor of Epidemiology, Yale University School of Public Health	
9:40 - 9:50 AM	Dennis Devlin, Senior Environmental Health Advisor, Exxon Mobil Corporation	
9:50 - 10:00 AM	Kevin Teichman, Senior Science Advisor, Office of Research and Development, United States Environmental Protection Agency	
10:00 - 10:15 AM	<i>Break</i>	
10:15 AM - 10:25 AM	Elena Craft, Senior Health Scientist, Environmental Defense Fund	
10:25 - 10:35 AM	Paul Hodgins, Chief Medical Officer, ConocoPhillips	
10:35 - 10:45 AM	Martha Rudolph, Director of Environmental Programs, Colorado Department of Public Health and Environment	
10:45 - 10:55 AM	Raina Rippel, Director, Southwest Pennsylvania Environmental Health Project	
10:55 - 11:05 AM	Judy Wendt Hess, Epidemiologist, Shell Oil Company	
11:05 - 11:15 AM	Michael Honeycutt, Toxicology Division Director, Texas Commission on Environmental Quality	
11:15 - 11:25 AM	CAPT Aubrey K. Miller, Senior Medical Advisor, National Institute of Environmental Health Sciences	
11:25 - 11:30 AM	Morning wrap-up and plan for the afternoon	George Hornberger, Committee Chair
11:30 AM - 12:30 PM	<i>Lunch</i>	
Comments from Meeting Participants		
12:30 - 2:30 PM	Comments from meeting participants	All
2:30-2:45 PM	<i>Break</i>	
2:45 - 3:55 PM	Comments from meeting participants	All
3:55 - 4:00 PM	Concluding Remarks	George Hornberger, Committee Chair
4:00 PM	<i>Scoping Meeting Adjourns</i>	

The Health Effects Institute (www.healtheffects.org) is an independent, non-profit research institute funded jointly by government and industry to provide credible, high quality science on air pollution and health for air quality decisions. Periodically, HEI also receives funding from foundations for special projects such. HEI sponsors do not participate in the selection, oversight or review of HEI science, and HEI's reports do not necessarily represent their view.
